2016 Christmas Party

Oh what fun we had at the Annual Christmas Party this year! If you weren't there, you missed a good time! There was pinning the Heart on the Grinch, stuffing stockings, doing the Santa Limbo and making ornaments for the Christmas tree. If that wasn't enough, we had a buffet of Kid's Favorite food, hot cocoa, cookies and milk, and even some Who Pudding! Of course we cannot forget about the Photo Booth and a visit from Santa! It was really nice of everyone to make Christmas Cards for the children in the Children Hospital this year. Santa offered to do the Circle a favor and delivered them himself to the children! He also promised that he would come back to visit the kids of Circle 36 at the beginning of December 2017. We can't wait to see him again!
